

Job Description

Job Title:	Supervisor, Custodial
Department:	Plant Operations
Reports To:	Shift Manager, Custodial or Associate Director, Environmental Services
Jobs Reporting:	Custodian I Group Leaders, Custodian I, Custodian II
Salary Grade:	USG 8 – 37.5 hours/week
Effective Date:	March 1, 2023

Primary Purpose

The Supervisor, Custodial is responsible for the prudent, effective planning, management and delivery of nighttime (or daytime) custodial services within assigned facilities, contributing towards providing a safe and accessible, invitingly clean and comfortable, functionally-enriched and well-maintained campus environment through service excellence.

Key Accountabilities

Strategic Planning

Assists with and supports strategic planning efforts addressing stewardship responsibilities and long-term sustainability of the University's campus, facilities and infrastructure and maximizing opportunities for efficient delivery of campus services and optimal investments in University-wide infrastructure.

Operations planning and management

Plans for, manages and delivers custodial services, including sustainable waste and recycling, within assigned facilities, fostering a client-focused, service-oriented work environment for operational consistency and effectiveness.

- Directs the activities of support staff assigned and reporting to the position, determining priorities, work assignments, staff scheduling, and additional services, including University special events/bookings. Works closely with Custodian I Group Leaders towards the direction and support of activities.
- Supervises and inspects cleaning operations within assigned facilities and evaluates work of assigned support staff to the established service level standards and expectations. Assists with conducting regular monthly building audits to maintain and document operational effectiveness, increasing audit frequency as and when circumstances may require.
- Liaises with University community members with respect to custodial and sustainability matters within assigned facilities and issues work to assigned support staff to maintain safety, good order and service level standards of cleanliness and appearance of University facilities. Coordinates as appropriate, response to hazardous situations reported by staff or students within assigned facilities.

Assists with planning activities to support the department's strategic and operational direction.

- Plans, periodically reviews, and maintains current work processes and practices appropriate and necessary for delivery of custodial services, including sustainable waste and recycling to provide a safe and accessible, invitingly clean and comfortable campus environment.
- Operates within allocated resources; ensures the efficient use of physical, fiscal and human resources, maintaining records of support staff work assignments and cleaning supplies and equipment allocations among the assigned work group.
- Liaises with other facilities departments to facilitate identification of, and addressing maintenance, repair, environmental, health and safety and other facilities related activities.
- Provides data and information for metrics to ensure operational efficiency and effectiveness, servicing client needs and meeting campus needs in a timely fashion within budget.

Job Description

General Management

Responsible for employee relations of support staff reporting to the position, fostering a client-focused, service-oriented work environment while establishing and maintaining good working relationships among support staff.

- Coaches, evaluates, and supervises support staff, instilling among support staff the importance of good safety and housekeeping work practices.
- Establishes and maintains good working relationships among support staff.
- Assists, as appropriate, with interviewing and selection of support staff for temporary or permanent positions.
- Provides, or assists with providing, training and professional development to support staff with respect to approved cleaning methods and procedures and the appropriate and safe use of cleaning products and equipment, including chemicals, materials, supplies, tools, and powered and non-powered equipment.
- Performs support staff interviews on performance matters and either initiates or supports disciplinary process consistent with University policy, collective agreement, and departmental frameworks.
- Compiles, analyzes and maintains statistical data/reports of the operations, including but not limited to: timekeeping, attendance and absence management, safety and regulatory training and compliance, staff performance and professional development, building cleanliness ratings, inventory (and consumption) of cleaning products and equipment.

Health & Safety

In consideration of the University's commitment to the safety and well-being of all faculty, support staff, students, and visitors, responsible for ensuring University facilities and departmental activities are compliant with all applicable legislation, regulations, codes and standards related to facilities operations as well as occupational health and environmental safety.

- Active in health and safety and incident prevention by establishing, adhering and ensuring assigned support staff are following departmental policy, procedures and safe work practices required by the University health, safety, and environmental management system (HSEMS), and in accordance with relevant health and safety legislation, developing and enhancing a safety culture among support staff.

Other

- Leading projects as assigned.
- Performs other related duties and responsibilities as assigned and supports departmental activities.

Required Qualifications
