<thead>
<tr>
<th>Daily Deposit and Reconciliations</th>
</tr>
</thead>
<tbody>
<tr>
<td>● Reconcile daily sales transactions, ensuring any overages and shortages are investigated and resolved in a timely manner.</td>
</tr>
<tr>
<td>● Ensure cash controls are followed in all areas of P+RS</td>
</tr>
<tr>
<td>● Gain understanding and efficiency in fully integrated Point of Sales (POS) and inventory tracking system to investigate and recommend solutions on any variances</td>
</tr>
</tbody>
</table>
**Job Description**

- Independently resolve any interdepartmental queries regarding charges made to accounts
- Manages the petty cash fund for the department, including reimbursement and safe keeping
- Ensures adequate cash floats are maintained including oversight and periodic audits of total safe counts

**Assistant to the Manager, Accounting and Financial Analysis**

- Acts as assistant for the Manager, Accounting and Financial Analysis with all aspects within the accounting office including Accounts Receivable, Accounts Payable, monthly and yearly inventory procedures, financial and any other ad hoc reporting
- Provides guidance and advice to all P+RS staff on appropriate revenue recording procedures, following the university’s financial policies
- Supports yearly internal (i.e., Research Accounting) and external audits, providing source documentation as required
- Supports HST activities, in accordance with the university’s HST procedures as they relate to interdepartmental charges, rebates on varying purchases made for P+RS, and general sales
- Backup for Accounts Payable duties on reconciling vendor statements and resolving any outstanding issues, Accounts Payable module in retail software, and general processing of Accounts Payable transactions

**Collaboration**

- Interacts regularly with all P+RS staff and supports cross-promotion of products and services wherever possible
- Establishes and maintains strong partnerships and relationships with units throughout the university and the affiliated colleges that help P+RS achieve its goals, while ensuring that P+RS is represented professionally

**Customer Service**

- Commits to positive interactions with all customers and provides appropriate level of assistance regardless of situation or location
- Ensures that all customer inquiries are handled in a professional, timely manner; and in cases when customers should be redirected to other staff, the incumbent will ensure that the redirection is complete and that the customer is not left without service

**Required Qualifications**

**Education**

- Post-secondary courses in accounting
- Progression toward or completion of an accounting designation is preferred

**Experience**

- At least three years of relevant financial experience

**Knowledge/Skills/Abilities**

- Business acumen and analytical skills
- Critical thinking
- Excellent written and verbal communication skills
- Interpersonal skills and relationship-building
- Analytical mindset, ability to explain and apply accounting principles, and advanced technical skill
- MS Word: Intermediate
- MS Excel: Advanced
Job Description

- Familiarity with Sharepoint
- Proficiency with computerized retail and database systems

Nature and Scope
- **Contacts:** Internally, this position interacts with staff representatives and managers within P+RS as well as the university’s central finance team to obtain, clarify, and discuss information. Externally, this position interacts with customers in order to obtain, clarify, or discuss information. This position also interacts with external vendors where required.
- **Level of Responsibility:** This position is responsible for the timely and accurate analysis and reconciling of all revenue transactions within P+RS. This position also prepares and analyzes weekly, monthly and yearly reconciliations and journal entries in accordance with GAAP and the university’s financial policies. As well, this person is responsible for internal financial statements and various month end reporting.
- **Decision-Making Authority:** The Financial Analyst is expected to work independently to process transactions and respond to internal questions and vendor requests. In complex or unusual situations, issues may need to be escalated to the Manager, Accounting and Financial Analysis.
- **Physical and Sensory Demands:** This position requires exertion of physical sensory effort resulting in slight fatigue, strain or risk of injury. Some lifting, bending and stretching is required from time to time, in order to move/display equipment or products.
- **Working Environment:** This position works in a typical retail store and office environment. There may be unusual hours or schedules, extended weekend hours, or weekday extended hours with varying volumes of work at different times of the year.
