Job Description

**Job Title:** Examinations and Scheduling Specialist

**Department:** Registrar’s Office

**Reports To:** Director, Scheduling and Examinations

**Jobs Reporting:** None

**Salary Grade:** USG 7

**Effective Date:** October 2018

**Primary Purpose**

The Examinations and Scheduling Specialist is primarily responsible for the scheduling and administration of the Final Examination Schedule each term. This involves liaising with Departmental Examination Representatives as well as other internal and external contacts to create a conflict-free final exam schedule, working with academic staff and instructors to manage the final exam print process, overseeing all aspects of final exam administration, all while ensuring the highest level of exam integrity. The incumbent will also provide back up for all aspects of the timetabling and classroom management processes.

Nature and Scope

Contacts: Works closely with Departmental Examination Representatives, Departmental Scheduling Representatives, Departmental Chairs, Associate Deans, school directors, ITMS, AccessAbility Services, Graduate and Postdoctoral Affairs Office, Centre for Extended Learning, Plant Operations, Central Stores, Campus Response Team, WatCard Office and Wilfrid Laurier administrators. The incumbent is a member of the Provost’s Advisory Committee on Timetabling (PACT), the University Timetabling Committee (UTC) and the Exam Management System Committee (EMS).

Level of Responsibility: Responsible for providing expert analysis and advice with regard to final examination schedule and timetable development. The overall integrity of final exam management is a major responsibility of this incumbent as well as the secure and confidential management of several hundred printed exam papers each term.

Decision-Making Authority: Makes decisions necessary for the creation of the final examination schedule and the timetable using their knowledge of departmental requirements, instructor constraints, student cohorts, room needs/preferences, final exam invoicing/supplies etc. Also makes decisions necessary for the creation of the course timetable using their knowledge of departmental requirements, instructor constraints, student cohorts, room needs/preferences etc.

Physical and Sensory Demands: Visual/mental concentration required in a shared office setting. Pressure involved in meeting deadlines and dealing with agitated faculty and staff who have complex constraint demands.

Working Environment: Primarily office-based and normal working hours with the exception of the two week period each term during final examinations when on-call status is required. Complex, high volume workload with fluctuating priorities. Physical duties include moderate lifting during exam deliveries and set-up.
