Effective Date:	November 2017

Primary Purpose

Accountable to the academic Chair or Director for human resources administration, financial oversight, the management of facilities and equipment and health and safety responsibilities required to support the teaching and research missions of the department.

The Administrative Manager provides leadership by educating all department members of relevant policies, guidelines and practices related to financial, recruitment, space, and health and safety matters. As the senior administrative staff member in the Department, the Administrative Manager provides continuity as academic leadership changes.

Key Accountabilities

Support for Academic program delivery, including but not limited to:

- Faculty appointments, annual review, tenure and promotion, leaves:
 - Oversees these procedures, timelines, and committee supports according to Policy;
 - Oversees all logistics associated with the activities including interview schedules, package distribution, secretarial support, and travel arrangements
 - Generates management reports to assist decision-making processes as required
- Graduate and undergraduate programs:
 - Oversees financial and resource support of the programs;
 - Oversees the administrative activities of the graduate and undergraduate programs, including advising students of policies and processes;
 - Supports development of the department teaching schedule and timetable; manages teaching load records including reductions and leaves and produces reports as required.
 - Establishes procedures for maintenance of departmental academic records such as course evaluations and student advising, according to Policy
- Manages processes associated with program reviews and certifications
- Provides support for visitor travel arrangements
- Provides support and assistance to new faculty and sessional instructors as required;

Human Resources Management, including but not limited to:

- Providing leadership and direction to the team, and developing teamwork skills
- Implementing recruitment, evaluation, compensation, and professional development processes for all staff in the department
- Establishing work schedules, assigning duties, and establishing backup procedures

Job Description

- Maintaining personnel files, work schedules and vacation records for faculty and staff in accordance with University policies
- Ensuring processes are in place for recruitment, evaluation and pay of sessionals, temporary staff, co-op students, and teaching assistants.
- In consultation with the Chair, develops, distributes and collects all documents related to the annual faculty activity report process;

Financial planning and management, including but not limited to:

- Preparing department budget for operating accounts, ensuring that funds are requested, allocated and reported upon in a way that supports the department's operations and priority activities;
- Ensuring that all operating, trust, endowment and research accounts are managed according to Policy, including monthly reconciliation of accounts and P-Cards
- Assists researchers with the management of research accounts, providing support on eligibility and compliance and preparations for cost recoveries and account closures.
- Provides advice and reviews all department expenses: travel, reimbursements, faculty professional expenses, endowment, research expenses and casual payroll;
- Overseeing graduate awards and scholarships, and research matching funds
- Ensures relevant reports are available to management and account holders on a regular basis
- Liaises with the Office of Research for departmental activities; monitors expenditures and commitments on faculty research grants and projects under the framework of Research Financial Compliance;
- Participates with Executive Officer and Financial Officer in developing more efficient approaches to budget management throughout the Faculty
- Complete or oversee purchases, invoice payments and budget transfers.

Facilities and equipment management, including but not limited to:

- Ensuring the efficient and equitable use of facilities and equipment including allocation, coding and auditing of space usage
- Overseeing maintenance and repairs
- Planning and coordinating moves
- Authorizing the purchase and allocation of equipment, furnishings and supplies
- Issuing and maintaining records of keys and key fobs
- Overseeing department IT requirements and associated requests
- Oversee Health and Safety compliance
-

Communication, records, and outreach/special events:

- Develops and monitors Department document and record access, retention, and disposal according to Policy;
- Oversee communications within the department, including overall responsibility for communication directions, mailing lists, web content and social media platforms;
- Establishing procedures for maintenance of departmental records, course evaluations and student advising according to Policy;
- Organizes and promotes key department events, including lecture series and colloquiums;
- Prepares and maintains minutes and agendas for department meetings; follows up on relevant business as required;
- Supporting and assisting with the planning and execution of various special events as necessary

**All employees of the University are expected to follow University and departmental health and safety policy, procedures and work practices at all times. Employees are also responsible for the completion of all health and safety training, as assigned. Employees with staff supervision and/or management responsibilities will ensure that assigned staff abide by the above, and actively identify, assess and correct health and safety hazards, as required.*
