Job Description

**Job Title:** Administrative Coordinator, Graduate Studies

**Department:** Systems Design Engineering, (SYDE)

**Reports To:** Administrative Officer

**Jobs Reporting:** None

**Salary Grade:** USG 6

**Effective Date:** May 8, 2019

**Primary Purpose**
The Administrative Coordinator, Graduate Studies, is responsible for all activities related to SYDE’s graduate programs and admissions (MASc, MEng and PhD) and is the first point of contact for prospective students. The incumbent must be knowledgeable in University, Faculty and Department graduate policies and procedures to assist graduate students throughout their program from admission to degree completion. The Administrative Coordinator, Graduate Studies, is concerned with the quality of life of SYDE’s graduate students, and is frequently called upon to provide non-academic counselling in addition to providing academic direction.

*All employees of the University are expected to follow University and departmental health and safety policy, procedures and work practices at all times. Employees are also responsible for the completion of all health and safety training, as assigned. Employees with staff supervision and/or management responsibilities will ensure that assigned staff abide by the above, and actively identify, assess and correct health and safety hazards, as required.

Required Qualifications

Education
- College Diploma in Office Administration or related discipline. Equivalent combination of education and/or experience will be considered.
**Job Description**

**Experience**
- Demonstrated administrative experience is required, experience in an academic work environment is preferred. Student advising experience and/or scholarship management preferred.

**Knowledge/Skills/Abilities**
- Comprehensive understanding of university policies and procedures as they relate to graduate studies is strongly preferred; • Organizational, analytical, interpersonal, customer service and strong communication skills (oral and written) required; • Aptitude for attention to detail and accuracy are required; • Proven capacity to handle high volume of requests and multi-task; • Intermediate skills in MS Word, Excel, PowerPoint, Outlook, Sharepoint, Filemaker Pro, WCMS, Quest, LEARN and OnBase an asset; • Ability to learn and adapt to specialized software and systems at the University; • Ability to set priorities and remain organized while managing multiple priorities with a high level of accuracy and attention to detail, with minimum supervision. • Excellent written and verbal communication skills and the ability to work with a diverse student body in a cross-cultural environment; • Demonstrated advising skills with the ability to support students through difficult situations

**Nature and Scope**
- **Contacts:** Works collaboratively with students, faculty, staff and external contacts to obtain, clarify and discuss information and to give and receive instructions. Strong communication skills (written and oral) are required including clarity, diplomacy, and tact. Ability to work independently and as part of a team.
- **Level of Responsibility:** This position has specialized work and defined duties and responsibilities. Self-initiated, detail-oriented and sound judgement skills required. Incorrect actions may have adverse financial consequences and may cause undue hardship to students and faculty members. This position reports to the Administrative Officer. This position has no direct reports.
- **Decision-Making Authority:** The position requires planning and pro-active problem solving. Complex and non-routine issues involve consultation with the Administrative Officer and/or the Associate Chair for Graduate Studies. Errors in decision or information could impede the academic progress of a student and cause adverse relations with students, faculty and staff.
- **Physical and Sensory Demands:** Typical of an administrative position in an office environment; peak times can include multiple priorities and frequent interruptions. Attention to detail and concentration to verify accuracy and completeness of various academic data and compiling information from various sources. • Working
- **Working Environment:** No Travel, regular working hours with occasional weekend or evening opportunities. Risks (physical and psychological): minimal physical or psychological risk resulting from a diverse environment with deadlines, multiple priorities and frequent interruptions. Exposure to disagreeable conditions, particularly when conveying unwelcome or negative information is necessary.
