---

### **Primary Purpose**

The Supervisor, Cleaning Services is accountable to the Manager, Cleaning Services for leading and supervising the staff, and for coordinating the processes, activities, and external service providers involved in the provision of outstanding cleaning services in the incumbent's area in the Department of Housing and Residences.

### **Key Accountabilities**

#### **Leadership – Responsible for providing excellent leadership to Cleaning Services staff using a coaching and mentoring approach.**

- Create and maintain positive working relationships by establishing a clear set of reasonable and mutually agreed upon expectations that align with the Department's mission and the University's strategic plan to help employees create clear paths to success.
- Effectively measure and evaluate performance through both formal performance appraisals and informal methods such as regular feedback, coaching, and one-on-one conversations.
- Identify development opportunities in direct reports and create development plans that will enable employee growth and improved performance at all levels of responsibility.

#### **Staff Supervision – Responsible for providing excellent supervision to Cleaning Services staff including:**

- Recruit (hiring processes, onboarding activities)
- Manage and evaluate staff performance
- Administer personnel policies and procedures in consultation with the Manager, Cleaning Services as they relate to staff in the incumbent's area i.e.) sick time, vacation, overtime, leaves of absence, safety/injuries, return to work initiatives
- Co-ordinate staff training and development opportunities for staff in consultation with the Assistant Manager, Cleaning Services.
- Ensure safety and wellness initiatives and procedures are effectively followed including the application of Workplace Hazardous Materials Information System (WHMIS) and Occupational Health and Safety Act (OHSA).

#### **Operations Management – Cleaning – Responsible for planning and coordinating schedules, activities and resources (equipment, supplies, staff, and external service providers) to effectively provide cleaning services in the incumbent's area.**

- Collaborate with other Cleaning Services Supervisors and Residence Facilities colleagues
- Help create and implement cleaning standards and best practices in day to day cleaning
- Apply consistent operating procedures and processes to ensure effective and efficient workflow
- Plan and co-ordinate end of term processes working in collaboration with others for the turn-over of all residence bedrooms and community space in the incumbent's area within very tight timelines.

**Fiscal Management – Accountable for contributing to the effective use of financial resources for Cleaning Services**

- Maintain records for budgets, work hours, payrolls, and other data that contributes to effective and efficient delivery of cleaning services.
- Follow university policies and procedures for the effective procurement of supplies, equipment, and 3rd party service providers when required.

**Measurement and Evaluation – Responsible to collect and maintain Key Performance Indicators and other measures of performance that align with the strategic direction of the Cleaning Services unit.**

- Provide data, progress reports related to effectiveness and continuous improvement goal achievement.

**Project Co-ordination – Responsible for actively coordinating multiple regular and special projects that relate to Cleaning Services.**

- Conduct research, compile statistics, develop reports, and communicate results.

*\*All employees of the University are expected to follow University and departmental health and safety policy, procedures and work practices at all times. Employees are also responsible for the completion of all health and safety training, as assigned. Employees with staff supervision and/or management responsibilities will ensure that assigned staff abide by the above, and actively identify, assess and correct health and safety hazards, as required.*
